HOW THE PAYMENT PLAN WORKS

This chart shows the default number of monthly payments that you can use to pay off your membership based on what membership you purchased. However, any combination of payments are available so long as the minimum deposit of 30% of the membership value is taken at the time of membership sign up and the term does not exceed June 1 of the current membership year. Any remaining balance must be paid off by June 1st, failure to meet this requirement can result in membership suspension. Monthly payments are processed on the 15th of every month.
